

## Agreeing, supporting, praising

How about using some more 'colourful' expressions instead of the boring 'I agree'?

Here are a few suggestions:

*I totally agree with you*

*You're absolutely right*

*You've hit the nail on the head*

*I couldn't agree more*

*Great minds think alike!*

*You're a genius*

*Why didn't I think of that?*

*You can say that again!*

*That's it!*

*That's a great idea!*

Put them into practice! Choose one or two of these expressions, memorise them, then try to use them as many times as you can in one day.
